## ROBERT L. BARRETT IS BURIED WALKERS CREEK

Robert Lee Barrett, 32, former resident of Cameron was fatally injured in an automobile accident near Dallas at 2 a. m. Sunday, January 30. Mr. Barrett lost his life in an accident caused by the weather icing over the highway.

At the time of the fatal accident Mr. Barrett was on his way to Mineral Wells to visit his parents Mr. and Mrs. John Clenney in Mineral Wells. The crash occurred on the Dallas-Mineral Wells highway.

Mr. Barrett, following his discharge from the Navy entered the cafe business in Dallas.

Funeral services for Robert Lee Barrett were held at the Walkers Creek Baptist Church at 3:30 p. m. Tuesday, February 1 by Rev. R. L. Lemons, Pastor First Methodist Church in Cameron. Interment was made in the Walkers Creek Cemetery with the Green Funeral Home directing arrangements.

Mr. Barrett was born and reared in Cameron and his death was a severe shock to relatives as well as a host of friends. He was a graduate of Yoe High School in Cameron and the family moved to Fort Worth shortly after he completed his school years here.

Mr. Barrett was a veteran of World War II having spent 4 years in combat with the U S Navy.

Surviving are his widow of Dallas, his mother Mrs. John Clenney of Mineral Wells, a brother Don Barrett of Houston and two nieces Judy and Carolyn Barrett of Houston.

## Mexican Citizens Lead March Dimes Canvas In Cameron

Mr. and Mrs. Victor M. Bermudez have just deposited the sum of \$41.15 in First National Bank here to the credit of the March of Dimes fund as the result of their canvas in Cameron.

Mr. Bermudez said that he and Mrs. Bermudez saw many people and are very glad to have had a share along with other Cameron citizens in the work of raising the Polio funds.

Mr. Bermudez is Secretary of the Patriotic Committee which is one of the organizations in Cameron that is accomplishing many things of interest and progress here.

L. W. Smith, director for the current March of Dimes campaign for funds has thanked Mr. and Mrs. Bermudez for their good work.

## REBURIAL WEDNESDAY IN CATHOLIC CEMETERY

The body of Pfc. Joe E. Kleypas will be home for reburial Wednesday, February 2.

Pfc. Joe E. Kleypas was killed in action in the fighting in Germany on April 11, 1945 while serving with the United States Army. He was a native of Milam county, born and reared in Burlington.

The body of the war hero was due to arrive in Cameron at 3:15 a. m. Wednesday, February 2 and will be taken to the Marek-Burns Funeral Home where it will remain until the funeral hour. Arriving at an eastern port recently on a Memorial Ship Pfc. Kleypas was nearing his home soil Tuesday and to the sorrowing community where he grew to manhood.

Pfc. Kleypas was born October 29, 1924 at Burlington and when killed in action in the fighting in Germany was 20 years old.

Funeral services will be held at 10 a. m. Wednesday, February 2 by Father Joseph Dillon at St. Michael's Catholic Church in Burlington with interment in St. Michael's Cemetery. The American Legion together with the military escort will give full military honors in the services to be conducted at the grave by members of Edwin Hardy Post No. 9.

Surviving are his parents, Mr. and Mrs. John Kleypas of Houston and the following brothers and sisters: Earl Kleypas and Eugene Kleypas of Houston, Mrs. Nelsine Strickler, Miss Agnes Kleypas of Houston and Mrs. Rose Mary Goode of Yoakum.

Mr. and Mrs. Jack B. Fuller and daughter Francena of Dallas spent the week end with Mr. and Mrs. C. F. Swift and attended the wedding Sunday.

## John S. Burns Given Promotion With Capital National Bank, Austin

John S. Burns, former resident here, has been promoted to Vice-President at the Capital National Bank in Austin.

Election of three new vice-presidents by the board of directors of the Capital State Bank and the addition of three new assistant cashiers featured the annual meeting at the bank.

The new vice presidents are Leo Kuhn, W. C. Kennedy and John S. Burns.

Mr. Burns is the son of Mrs. Beulah Burns and the late S. M. Burns, former district attorney here. He entered the service of the bank immediately after going on inactive duty from the U. S. Navy in 1945. He has served as assistant vice president for the past two years.

## \$30,000 Damage Suit Case On Review Here

A contest in District Court in a civil suit to establish a place for trial was on here Thursday.

In May 1946 Roger Q. Todd of Cameron sustained injuries in an accident in Gause when a truck driven by A. E. McCullough and owned by the Cottle Oil Company, crashed into his car. Todd brought suit for an amount in excess of \$30,000 a small portion being for car damage and the remainder personal.

District Judge John C. Patterson of Marlin is on the bench, Judge W. A. Morrison being recused in the case because he was formerly counsel for Mr. Todd.

## Cpl. Milton L. Bush On Current Mission In Snowbound, New Mex.

KIRKLAND AIR FORCE BASE, ALBUQUERQUE, NEW MEX.—Corporal Milton L. Bush, brother of James R. Bush, Cameron, Texas, is currently flying with the U. S. Air Force's "Operation Snowbound," which is attempting to locate and supply 15 Navajo Indians and a ground search party both lost on the vast and wild Navajo Indian Reservation eighty miles northwest of Winslow, Arizona, in rugged terrain blanketed by recent formidable blizzards with more than five feet of snow.

Corporal Bush, a 36-year-old airplane maintenance specialist, lives with his wife, two sons and daughter at 225 Monkbridge Ave. Albuquerque. He is stationed at the Air Material Command's Kirkland Air Force Base, Albuquerque, New Mexico, from which the search planes have been dispatched to locate and drop emergency supplies to the lost men. He was formerly stationed at Walker Air Force Base, Roswell, New Mexico.

## Warning Issued On Rabies; Many Cases Reported In This Area

Prevalence of rabies among dogs, fox and other animals, has caused widespread concern in this area.

Dr. R. M. Tittsworth, licensed veterinarian here, said that a mad dog had been killed in a nearby community and no doubt there is great danger since there is no way to tell whether the dog has spread the disease.

Mad fox and other animals, including a number of dogs have been killed and the situation here, said Dr. Tittsworth is such as to cause alarm. He advises extreme caution and there are ways to prevent hydrophobia by vaccination.

Not only has rabies become alarmingly prevalent here but in other sections of the county and state as well.

## 18 Pigs Freeze In Zero Temperatures Here Saturday Night

The first livestock loss reported here was from the B. F. Stewart feeding lot west of the city.

Mr. Stewart reported to the Herald Monday that he had lost 18 pigs. Despite the fact that the pigs were in a shed the zero temperatures were too much.

The pens are located across the Santa Fe tracks west of the city. As the weather cleared it was certain that other reports would be coming in and more livestock fatalities were certain to have occurred.

## 2 YEAR AVERAGE PLUS 10 PER CENT GRANTED

Pay for constables in Milam county has been fixed by the Commissioners Court in session here Friday.

Judge Dan Tyson said the court had taken the fee earnings for the years 1947 and 1948 and added 10 per cent to fix the basis for the salaries.

It was contemplated that the pay would be on a monthly basis where sufficient to warrant 12 checks. In some of the precincts the pay will be very small since some of the Constables have earned very little.

Salaries for Constables are now mandatory because of the adoption of an amendment knocking out the fee system for Constables and deputy sheriff's and deputy constables in Texas.

The amendment did not affect the fee system for Justices of the Peace.

## TOMMY LIVINGSTON IS IN JAIL IN CAMERON

Tommy Charles Livingston wanted for Armed Robbery, car theft and swindling and sought by the Federal Bureau of Investigation, was arrested in late Thursday and is being held in jail in Cameron.

According to Jack Gaines, Texas Highway Patrolman here, who had been on the lookout for Livingston, the arrest was made as the wanted man drove about the streets of the city. He offered no resistance.

Livingston is wanted by the F. B. I. and by the police in Santa Ana, California. He is also being sought by Sheriff White at Tulia in Swisher county and the Federal Bureau of Investigation at Roswell, New Mexico. He is wanted at Tulia for car theft, armed robbery and swindling. Officers here had notified the officials in three states that they had their man. Livingston's home is in San Bernardino, California.

## FORMER RESIDENT HERE PASSES AWAY THURS.

J. W. Watson, former manager of the Community Public Service Company in Cameron, died in Fort Worth at 9:50 a. m. Thursday, January 27. News of the death of Mr. Watson was contained in a letter received here early Friday from Mrs. Gladys Watson, surviving widow, to Mr. and Mrs. M. G. Cox.

Friends in Cameron did not hear of Mr. Watson's death until early Friday because telegraph and telephone lines were down between Cameron and Dallas.

Mrs. Watson requested that friends be notified here.

Funeral services will be held on Monday, January 31 at 2 p. m. with the Haverton & Cole Funeral Home directing.

Mr. Watson, a native of Des Moines, Iowa, had been a resident of Texas for a number of years. He lived in Cameron and was manager of the water utilities of the Community Public Service Company, having retired due to ill health.

Friends in Cameron were deeply sorrowful over the announcement of Billie Watson's death.

## Cold? It was 7 Below January 17, 1930 Says Weather Record

On the all weather team Monday January 31, 1949 will always have a place among the all stars but let's take a look at history.

The Herald called on L. W. Smith, government observer at the Community Public Service Company Monday and finds that on January 17, 1930 it was 7 degrees below zero in Cameron.

So far as the record can be had this is the all time low for winter in Cameron.

In December 1929 the weather was around the zero mark if not below. At that time snow was on the ground as it is to-day when we had a new low for the winter.

It has been 19 years since the 7 below was recorded here. So when we speak of weather it is always a good idea to look up the record.

Beatrice Kolodejak daughter of Mr. and Mrs. R. Kolodejak is among the patients in Newton Memorial Hospital.

## TRUMAN SAYS DISASTER HAS BEEN AVERTED

President Truman speaking as a self-styled "busted merchant" of 1921 tonight asked a group of prominent business, labor and civic leaders to help develop a broad national economic program before another "disaster" develops.

Speaking before the annual dinner of the National Planning Association, Mr. Truman said long-range national planning is necessary lest this country revert "to the Ninth Century."

Mr. Truman's references to himself as a "busted merchant" went back to the days after World War I when his haberdashery business in Kansas City folded under the pressure of a postwar deflation.

The President called the roll of depressions which beset this nation since the administration of President Martin Van Buren.

But he said that since the last depression, the New Deal program of the late Franklin Roosevelt had bolstered the nation's economy and today this country has become a symbol throughout the world for economic solidarity.

"Before another disaster comes about," he said, "I think we will be able to meet it."

Mr. Truman said he expected "cries and wails in Congress" over his demands for new economic legislation, but said he was confident that the new Democratic-controlled House and Senate would enact the legislation necessary for "the welfare of the nation."

Speaking extemporaneously, Mr. Truman covered a wide variety of subjects.

## MCLAIN TO SHOW NEW 1949 PONTIAC SATURDAY

The long awaited, much speculated upon 1949 Pontiac will be shown here for the first time Saturday, January 29 by the McLean Pontiac Company at Second and Houston Street.

Pontiac offers the public two "New Looks" for 1949. The Chieftain series is an entirely new concept of functional beauty distinguished by its ultra-styled rear pattern. The Streamliner series is an extremely advanced rendering of the flowing design factors popularized by Pontiac.

Both Chieftain and Streamliner series use a 120 inch wheelbase.

Approach pattern of both Chieftain and Streamliner from gleaming Indian head hood ornament to massive, wrap-around bumper is a design triumph of suave yet rugged elegance accentuated by Pontiac's traditional Silver Streak, stylized for 1949 but still serving to make Pontiac the world's best identified motorcar. Grills of both series have a magnificent and unique simplicity: a single chrome bar, so heavy as to simulate a second bumper, spans the entire front above the ten modernistic louvers. Rectangular parking lamps, convertible to dual duty as directional signals complete the concept.

Both lines have up to 39 per cent more glass area front and rear.

Seats are wider front and rear and also the doors. Floors are level with door sills.

The Pontiac ride has been improved by moving the rear seat well forward of the rear axle, cushioned between the front and rear springs. An added dividend is added hip room by avoiding the space-taking wheel housing.

The front seat has been moved four inches forward and because of the increased width it has been possible to move the steering column two inches further to the left, giving additional elbow room to driver and front compartment passengers.

## BODY MARINE CORPS HERO DUE THURSDAY

The body of Pvt. James T. Shuemate, Marine Commando, who lost his life in the fighting on New Georgia Island in the Pacific, will arrive in Cameron at 3:15 a. m. Thursday, February 3.

Reburial services for Pvt. Shuemate will be held at 4 p. m. Thursday, February 3 from the chapel of the Green Funeral Home in Cameron by Rev. R. L. Lemons, Pastor First Methodist Church, assisted by Rev. C. W. Sanders of Hearne, former pastor of the First Baptist Church in Cameron.

Full military honors will be given in the services to be held at the graveside in Oak Hill Cemetery with local Veterans taking part along with the military escort.

Pvt. Shuemate was born at Minerva in Milam County and later the family moved to Cameron. He was a graduate of Yoe High School and from Cameron volunteered for the Marine Corps on May 30, 1942. He received his early training at San Diego, California and his first battle experience came on New Georgia Island in the Solomons group where he was killed on July 20, 1943. He was 18 years old and a Marine Commando.

Col. James Roosevelt, commander of the Commando outfit to which Pvt. Shuemate was attached, wrote the mother of the deceased here following the action on New Georgia to express his sympathy and to say that he knew Pvt. Shuemate personally and commended him for his service and sacrifice in the Marines.

Surviving are his mother Mrs. Mary O. Gill of Cameron; five brothers as follows: Albert Cone Shuemate, New Haven, Michigan, Robert Donald Shuemate, John Max Shuemate, Roger Lee Shuemate and Bert Ray Shuemate all of Cameron and one half sister, Violet Patricia Gill, of Cameron.

## G. W. McLain Attends Pontiac Dealer Meet In Houston Thursday

G. W. McLain of the McLain Pontiac Company here attended a zone meeting of Pontiac dealers in Houston Thursday and to see the new 1949 Pontiac cars.

Early Friday Mr. McLain was in Dallas to receive one of the new Pontiac cars and to place it on display here Saturday, January 29.

Mr. McLain was one among more than 250 dealers to see the new car and said that the enthusiasm of dealers for the new cars is greater than for any other new model Pontiac has ever produced.

The new car will be on display here Saturday for the first time in this area. Mr. McLain is greatly encouraged over prospects for immediate delivery on these new cars.

## BOBBY ALLEN HOLLOWAY DIED HERE TUESDAY

Bobby Allen Holloway, infant son of Mr. and Mrs. Herbert D. Holloway of Cameron, died in Newton Memorial Hospital at 12 a. m. on Tuesday, February 1.

Funeral services were held at 10 a. m. Wednesday, February 2 from the Chapel of the Green Funeral Home by Rev. H. M. Bowley, Pastor of Full Gospel Church. Interment was made in Liberty cemetery with the Green Funeral Home directing.

Surviving are his parents Mr. and Mrs. J. H. Holloway of Cameron and paternal grand parents Mr. and Mrs. J. H. Holloway of Cameron and maternal grand parents Mr. and Mrs. C. N. Noey of Cameron.

Mrs. Charles Kreig of Tyler spent several days in Cameron the past week and attended the wedding of Miss Melma Swift.

## BOY SCOUTS OBSERVE NATIONAL SCOUT WEEK

Boy Scouts will take over the administration of the City government in Cameron on the afternoon of Wednesday, February 9.

Operation of the city government for a half day here is a part of the Boy Scout Week activities and plans for the observance were made last night at the meeting of Scouts and Leaders.

All Scouts in the city and all Scoutmasters, Leaders and Council members were called to meet in District Court room where Judge W. A. Morrison presided and the scouts proceeded to elect their officers.

Louis Hollas will be Mayor.

Members of the City Council will be as follows: John D. Crow, Charles Michalka, W. K. Leonard and Max Shuemate.

Johnnie Green will be City Marshal and his deputies will be Billie Joe Halpain and Bobbie Stanislaw.

Leon Absnaider will be Fire Marshal.

Leroy Sanders will be City Attorney.

The Scouts displayed a fine knowledge of parliamentary law in conducting their meeting. They also disclosed that they are thinking about the American spirit of fair play and of individual rights.

In order that those who are charged with traffic law violations may receive a fair trial and to have counsel before the corporation court, the Scouts elected a Defense Attorney. He is Roger Shuemate. The jury panel will be made up of Boy Scouts. The maximum fine for traffic violations will be 25c.

As a precaution car drivers should brush up on their driving technique for the Scouts will have no favorites to "excuse" nor will they be interested in holding office. Politics will be suspended for a half day and the Scouts will govern 7000 people.

Judge Morrison who heads the Scout organization for Milam County, said that he had advised scout leaders in other incorporated cities of the action taken here and it was believed other communities would also adopt a similar program for National Scout Week.

## COUNTY POLL LIST TO BE BELOW AVERAGE

Tax payments appeared to be normal as collectors began digging out of the deluge of mail incident to the deadline at midnight Monday, January 31.

It was certain that the poll tax list in the county would be below average but it appeared that property tax payments might be normal. A complete check could not be made Tuesday but at the office of Valter White, county collector, Leroy Masengale, chief clerk said that some 3600 poll taxes had been issued and incoming mail Tuesday might bring the total up to 4000.

Property tax payments may be off some in the county, although it was not possible to tell. It appeared that at least 75 per cent collections had been made and possibly more. The complete figures will be available soon.

W. H. Stafford, City Secretary, said that payments of both ad valorem and poll taxes in the city appeared to be normal.

Incoming mail incident to the deadline showed that Mr. Stafford had some 20 or more poll tax payments to add to the total which was already 1082. That would give over 1100 poll taxes for the city which would be just about average or better for an off political year.

Mr. Stafford said that it appeared that tax collections were about 95 per cent of the total and that was normal.

## WIDELY KNOWN CITIZEN BURIED HERE MONDAY

W. A. (Bill Alex) Bonds, 74, native of Milam county and widely known citizen and former Tax Collector, died at 11 a. m. Saturday, January 29 in St. Edwards Hospital.

Mr. Bonds had been a patient in the hospital for several weeks and prior to that time had been ill at his home in Cameron. He had been in declining health for several years although he remained active in real estate operations, a business he took up following his retirement from the office of Tax Assessor and Collector for Milam county.

In addition to his real estate operations Mr. Bonds was in the insurance field.

Mr. Bonds was born in Milam county on April 1, 1875. In his early years Mr. Bonds was engaged in farming. As a young man he entered politics and was an early day deputy sheriff later being elected to the office of Tax Collector. When the offices of Tax Assessor and Collector were combined under a Constitutional Amendment he was the first to hold the merged offices and continued to serve until January 1947. In all he had served for 22 years in

public office. Before the offices were merged he had been Tax Collector, retiring to enter business in Cameron to which he devoted his time and became a candidate again and was successfully elected to additional terms until 1946.

Mr. Bonds was widely known and numbered his personal friends by the thousands in Milam county. Although his condition was critical his death came as a severe shock to many who had known him through the years. He was one of the most honored men in the county in successful political circles as well as business and civic circles. To him was given a measure of public esteem few men may know in a life time. He served with efficiency and devotion to public duty for almost a quarter century in one of the most important offices of the government.

The Bonds family has been prominent in Milam county history for almost a century.

Mr. Bonds in fraternal circles was a member of the Masonic Lodge, Knights of Pythias and the Shrine. He was in religion a devout Methodist and served for 28 years as a member of the Board of Stewards of First Methodist church in Cameron.

Surviving are his widow, Mrs. Alene Bonds, the former Miss Alene Ruby of Cameron; one daughter by a former marriage, Mrs. Alex Triggs of Dallas.

Funeral services for Mr. Bonds were held at 2 p. m. Monday, January 31 at First Methodist Church by Rev. R. L. Lemons, Pastor, with interment in Oak Hill Cemetery and the Green Funeral Home directing arrangements.

Masons of San Andres Lodge in Cameron conducted the services at the interment site in Oak Hill.

The body was at the family residence at 1105 East 17th Street until the funeral hour on Monday, taken from the Green Funeral Home on Monday morning.

Active Pallbearers were: Niley Smith, Sr., Lester Williams, Reese Poole, Chas. F. Swift, John B. Henderson, W. O. Triggs, Homer McLane and A. W. McCullin.

Honorary pallbearers were members of the Board of Stewards of the Methodist church and members of the Masonic Lodge.

Three brothers survive as follows: Thomas Bonds of Morton, Texas, Scott Bonds of Fort Worth and M. M. Bonds of Wyoming. One sister, Mrs. Fannie Anthony survives and resides in Merkel, Texas. Two grandsons surviving are W. A. Bonds of Wichita Falls and A. J. Triggs, Jr., of Dallas. Among other survivors are a nephew, B. F. Bonds of Cameron.

## Man Fined \$100 For Displaying Pistol

Albert E. Treto was fined \$100 in county court here for displaying a pistol, it was reported by County Attorney Ed. Gunn.

Officers here said that Treto went to the home of his estranged wife in the Maysfield community and sought to persuade her to return to him and when she refused he displayed a pistol, asking her to kill him.

Treto whose home is in Calvert was in jail in default of payment of the fine.

## NORTHER MOVES FAST TO ENVELOPE STATE

A new cold wave was spreading over Texas. Respite from the severe weather of the past few days was short.

The new norther reached Cameron early Friday and temperatures began to fall. It was not expected that freezing weather would prevail here until Saturday morning.

The new cold front moved so rapidly it could not be charted by the weather bureaus.

A bright sun made deep inroads into the North Texas ice cap Thursday. But as the day ended the U. S. weather bureau warned a new cold wave was coming.

Even as the sun smiled on the state ice damage was assessed in the millions of dollars.

A great frozen section of the state melted out of bondage. Temperatures soared Thursday and the weather bureau reported a definite thaw in the big ice area stretching from Denison and the Red river on the north to Hillsboro on the south and from

near Paris on the east to Gainesville on the west.

The forecast indicated the thawing process may continue for most of the storm area Friday. Then it warned livestock owners:

Temperatures may fall to 10 to 16 degrees in the upper Red River valley by Saturday morning to five degrees in the Panhandle, and in the south plains by the same time.

The Dallas weather bureau said a low pressure area had developed in Oklahoma. It said circulation of air to the southern side of the low should bring the colder weather to Texas.

Thirty-eight towns remained isolated from communications and others were without power from the second great ice storm in two weeks. Lines snapped, poles broke, and the tree damage was fantastic. The ice killed trees by the tens of thousands. Fort Worth alone reported damage to trees and utility installations at \$1,000,000. That city still fought power and communications difficulties Thursday night. Streets were blocked in 200 places.

An "advice" columnist says that a man should make his wife a silent partner. Good trick if you can do it.

## 7 Inches of Snow Is Good for Only .6 Of Rain Says L. W. Smith

Although Cameron had 7 inches of snow it was good for only .6 inches of rain said L. W. Smith at the Community Public Service Company.

Mr. Smith who is the local weather observer for the government explained that the snow was dry and almost totally devoid of moisture.

This fact will come as a surprise to many who believed that a snow of this size would mean around 2 inches of rain. It was the heaviest snow in recent years.

## TO SING SUNDAY

During the Sunday morning service at the First Methodist Church at 10:55, Faust Nobles will sing "Open the Gates of the Temple."

Mr. Nobles is from Temple, but formerly he resided in Cameron. Friends will be glad to hear of his visit.

Success doesn't depend so much on lying awake nights, as it does staying awake days.

## Shamrock Diners Will Pay \$42 'Per' For Opening Day

Diners at the Shamrock Hotel's St. Patrick's Day opening, which they will attend by invitation only, will pay \$42 or \$33 per person, depending upon where they sit.

Cost for each diner in the Emerald, Shamrock and Grecian rooms will be \$42. The \$33 tariff will apply to the Pine Grill and smaller third-floor dining rooms.

The mailing of invitations will be completed within the next 10 days. The bids show for the first time the Shamrock's crest. It is a green Texas star, with a large gold "S" superimposed. A gold wreath encircles them.

An invitation is a requirement to attend the opening, which will be packed with celebrities who will be special guests of Glenn H. McCarthy, Shamrock owner.

After opening day, prices will go down to the level of other fine restaurants, the management said.—Houston Chronicle.

## 1949 Cotton Quotas Call For Solution

WASHINGTON, Jan. 26 — House agricultural leaders moved tonight to put through stop-gap cotton legislation so farmers can make plans promptly for their 1949 crop.

An agriculture subcommittee, which is studying a long-range cotton program, recessed its public hearing temporarily so it can consider a resolution dealing only with the current year's plantings.

Chairman Pace (D-Ga.) said the resolution would provide that acreages devoted to cotton during 1949 should not be used in fixing production quotas for future years.

The resolution is in line with a recommendation made earlier by Secretary of Agriculture Brannan. Pace said it will be taken up at a closed session of the committee tomorrow.

What this country needs right now is day clubs for night workers.

## Crackdown Due In Rent Eviction Cases

CHICAGO, Jan. 27—President Truman said today he doesn't think landlords can get away with mass evicting their tenants to protest new rent control bills, and Federal officials moved to back him up with court action.

Rent Director Tighe E. Woods said at Washington that he would seek court orders to restrain the eviction of "innocent people."

Nevertheless, landlord groups in seven large cities proposed to serve such notices on more than 20,000 families and withdraw their property from the market in protest.

Many other property owners groups have opposed reprisal evictions.

Mr. Truman told a news conference at Washington that he thought

## Preacher Collapses

TULSA, Okla., Jan. 27—The Rev. Wallace J. Murphy, leader of the Tulsa Property Association's drive against Federal rent controls, collapsed in his office today from a heart attack.

He was taken to his home where Murphy said he would carry on the fight "even from a sick bed."

The mass eviction action started at Tulsa, Okla., was a poor approach to the problem of rent control.

## POWER PLANT

that uses  
its  
Head!

THIS is the husky thrill-producer you find filling the bonnet of any 1949 Buick.

Look it over and you'll observe, among other things, that it is a valve-in-head straight-eight.

In simple language, this means that years ago Buick engineers lifted the valves from the side of the cylinder and put them on top—with some immediate advantages.

Such an engine "breathes" better. Gets a full, even charge on every intake—exhausts spent gases more easily—enjoys extra power, life and ginger.

And in such engines, compression ratios are relatively easy to establish. To step them up, the head is merely brought closer to the piston—no extra problems are presented getting fuel in and exhaust out.

Thus Buick power can—and has—kept pace with progress in fuels. Compression ratios suit gasolines actually available—and there's no

waiting for tomorrow's gasolines to get full performance.

There are other things to notice about this engine.

It's a Fireball power plant—uses a special and exclusive type of piston that gets more good out of each fuel charge.

And it speaks with soft, new quiet. Self-setting valve lifters automatically keep valves properly seated, ending tappet noises for good.

With gasolines getting better, the swing to valve-in-head design will undoubtedly grow stronger. But that is what Buick has had all along—a power plant that uses its head to give extra lift and thrill.

That's enough reason to see your Buick dealer now, with or without a car to trade, to get your order in.

# SUNSHINE AND BALMY WEATHER IS FORECAST

(From the Daily)

Total rainfall for January has been 7.53 it was reported to the Daily Herald early Thursday by L. W. Smith, government observer at the Community Public Service Company.

The sun broke out over the Cameron area and central Texas early Thursday and the forecast is for considerably warmer weather and clearing skies.

Mr. Smith said that during the hours between the last reading Wednesday of the rain gauge a total of .70 inches had fallen. From 8 a. m. Wednesday to around midnight .27 inches fell and after that .43 fell. Almost one and a half inches of rain has fallen in Cameron in the last 24 hours.

Mr. Smith reports that the temperature was 32 degrees for a low Wednesday night and that at 8 a. m. Thursday it was 34 degrees.

## "JUDGE NOT . . ."

Some people are too quick to judge And eager to condemn The faults of others that they feel Do not belong to them.

They think they are so righteous in Their attitude toward life And that they know the only way To settle every strife.

But, if the truth were known, perhaps Their sins would be the same And some of them might even have A greater cause for shame.

In any case there is the fact That they are doing wrong By trying to Advise the world How it should get along.

They should not be so quick to judge Or eager to condemn Because someday a judgement May be catching up with them.

# Dixie Wonder Peas 30 Inches High on Frank J. Tomek Farm

Frank J. Tomek, Community Committeeman from the Cameron Community brought a sample of the splendid growth of Dixie Wonder Peas to the County Office, Alva E. Sanders, Administrative Officer of the Milam County ACA, said today.

Mr. Tomek has 35 acres in peas all approximately the same stand and growth. The vine with lots of modules and blooming measured a full 30 inches. Mr. Tomek also seeded 30 additional acres a little later and this is progressing rapidly. The land was phosphated in the fall of 1948 and part in the fall of 1947.

He intends to follow the pea with cotton and corn. We are going to check the production with Mr. Tomek and this fall, we will publish an article in the papers and our monthly newsletter sent out by the county office and show the increased production obtained on this land. We are sold on Soil Building with winter legumes and phosphate. How about you?

## Col. Geo. M. Shelton Died In California

AUSTIN, Jan. 19—Senator and Mrs. Kyle Vick will leave Austin for Waco Thursday to be with Mrs. Vick's mother, whose brother, Colonel George Matthews Shelton, died suddenly in California.

Word of the death was telephoned to the Statehouse Wednesday.

Mrs. Vick's mother is Mrs. E. O. Berry who lives in Waco. Two other sisters also live in Texas. They are Mrs. J. L. Hunter, also of Waco, and Mrs. S. L. Weld of San Antonio. Weld, like Colonel Shelton, is a retired United States Army colonel.

Shelton was born in McLennan County and had spent most of his adult life in the Army. He served many years in the Philippines and was decorated for action during the Philippines Insurrection.

The Colonel and Mrs. Shelton, who survives him, left Texas about 20 years ago. Two sons and two daughters also survive.

Mrs. Vick said funeral arrangements had not been completed.

# MRS. HELEN SHELTON DIED AT ROGERS HOME

Funeral services for Mrs. Helen Shelton, 65, a native of Milam County were held at 2:30 p. m. Tuesday by Rev. Matthews, pastor, at First Methodist Church in Rogers.

Mrs. Shelton died at her home in Rogers Monday, January 24. The body was at the Marek-Burns Funeral Home in Cameron early Tuesday before being taken to Rogers for the funeral services which were held at the graveside in the Rogers Cemetery.

Mrs. Shelton was born at Davilla on February 12, 1884. Surviving are 3 sons and 5 daughters as follows: Joe Shelton of Baton Rouge, La., Aaron Shelton, Oklahoma City, Geron Shelton of Houston; Mrs. Jeanette Moran, Houston, Mrs. Aurelia Guess, Temple, Mrs. Reba Box, McGregor, Mrs. Ferrell Reed, Rogers, Miss Evelyn Shelton of Killeen.

One brother and four sisters survive as follows: Wesley Smith, Salado, Texas, Mrs. Edie Proctor, Salado, Mrs. Alice House, Austin, Mrs. Ada Veniable, Goldthwaite, Mrs. Mary Wright, Denison. Eleven grand children and 3 great grand children survive also.

Pall bearers were T. J. Reed, Purcell Guess, A. P. Box, Reese Moran, Robert Guess and Joe C. Reid.

Mr. and Mrs. Ira Baker left early in the week to make their home in Houston. They will be missed by many friends in Cameron.

# High Parities On Sorghum Assured

WASHINGTON, Jan. 26. — Rep. Mahon (D-Tex.) urged agriculture Secretary Charles Brannan today to order a 90 per cent of parity price support program for the 1949 grain sorghum crop.

Such action promptly taken, Mahon said he told cabinet officials, would permit thousands of acres of land in West Texas which otherwise would be devoted to cotton to be cultivated in the grain feed.

Parity is a formula used by the government to insure a farmer approximately the same purchasing power for a crop now that he received in a base period, usually 1909 to 1914.

The planting of more land in grain sorghum would be in line with the department's plan to curtail cotton production, Mahan said.

Mr. and Mrs. Tom Hobson and daughter Karen of Austin spent the week end in Cameron and attended the wedding of Dorothy Ann Perrin to Fred Carroll.

Miss Lois Brown, daughter of Mr. and Mrs. W. M. Brown of Maysfield is a surgery patient in John Sealy Hospital in Galveston.

Mr. and Mrs. D. H. Keeney and son Stephen of Ft. Worth visited in the home of Mrs. C. N. Green over the week end. Mrs. Keeney will be remembered as the former Peggy Green of Cameron. They also visited her people in Austin.

# MARCH OF DIMES MAY BE SHORT OF NEEDS

L. W. Smith, director for the March of Dimes Fund drive in the county reported Thursday that the city of Cameron had thus far contributed \$815 to the fund.

Bad weather had undoubtedly hurt the drive but no reports have been received from outside the city, it was explained.

Whether the fund drive will be extended for another week will be decided Friday. Roger Maddox, permanent chairman for the Polio Prevention Fund for the county and Mr. Smith will confer on whether to continue the drive. An extension has been authorized by the National Foundation. It was not likely that the drive will be extended.

It was practically certain the fund

would be far short of the amount needed and anticipated. Already more money has been reported in Cameron than was contributed in the entire county in 1948.

The government has published a bulletin on "How to Treat a Black Eye." More useful would be one on how to explain it.

This is a diesel ... a modern locomotive that means better service to you.  
Leaders of two unions think it's a feather-bed ... a "make work" grab that means less service to you.

● Leaders of unions representing railroad engineers and firemen seek to force railroads to add extra, needless men on diesel locomotives. This is sheer waste—a "make-work" program which would mean fewer improvements and higher costs—for YOU!

Railroads use modern diesel locomotives because they are one of the means of giving faster, better service to you.

Two men compose the crew of a diesel. They occupy a clean, comfortable cab at the front. The engineer handles the throttle. The fireman sits and watches the track ahead. With no coal to shovel, he has practically nothing else to do.

## No Benefit To You

Now the leaders of the Brotherhood of Locomotive Engineers and the Brotherhood of Locomotive Firemen and Enginemen want to use the diesel locomotive as a means of forcing a feather-bedding scheme on the railroads. The extra men they propose to add to the diesel crews are not needed. There is no work for them.

The union leaders are fighting among themselves about which union should furnish these extra, needless men. The Brotherhood of Locomotive Engineers have even threatened a strike. You may not be interested in this dispute of these two unions, but you would be vitally concerned if these groups succeed in putting through this feather-bedding scheme, because it would mean a slowing up of the improvement program of the railroads—of which the diesel is the outstanding symbol. Diesel crews are among the highest paid

railroad employees—real aristocrats of labor! Their pay is high by any standard. Granting of these demands, therefore, would mean that the railroads would be paying out millions in unearned wages to those in the very highest pay brackets.

## We'd Like To Spend This Money On You

You know how much the diesel has meant to you in increased speed, comfort and convenience. The railroads have many more of them on order for even greater improvement in service to you. But needless drains of money, such as this present demand of the unions for needless men on diesels, reduce the ability of the railroads to spend money on better service for you.

Proud as the railroads are of the diesel, it is only a small part of their improvement program. Since the War, literally billions of dollars have been spent on improvement of

tracks and stations, on new passenger and freight cars, as well as on diesel locomotives, and on the many other less conspicuous details of railroading that contribute to improved service.

## Feather-Bedding Means Less Service To You

But brazen feather-bedding schemes like the one now proposed would, if successful, divert large sums of money from our present improvement programs. Even worse, they make improvements like the diesel worthless, by making the cost of their operation prohibitive.

These demands are against YOUR interests—as well as those of the railroads. They are schemes to "make work". Neither you nor the railroads should be forced to pay such a penalty for progress.

That's why the railroads are resisting these "make work" demands to the last ditch—and why they are telling you about them.

## PIONEER MERCHANT TO BE BURIED ON FRIDAY

(From the Daily)

R. H. McIntosh, 81, widely known merchant and a resident of Cameron for 60 years, died at his home here at 7:20 p. m. Wednesday, January 26.

Mr. McIntosh had been critically ill for weeks and for the past few years had not been active at the Cheeves Bros Store here, having divided his time as his health permitted between his interests here and ranching interests in New Mexico.

Mr. McIntosh as a young boy rode the cattle ranges in northern Milam county where his father owned a large ranch. He never got completely away from the range and cattle although a major portion of his life here was devoted to merchandising.

As a young man he came to Cameron and later entered into a partnership with the late S. W. Cheeves in the Cheeves Bros. store in Cameron. Some years ago he sold a portion of his interest in the store to his nephew, Bill McIntosh.

Mr. McIntosh was a native of Mississippi, born in Newton County, on May 17, 1867. His family came out to Texas and settled around Wills Point, later moving to Milam county.

For 60 years a resident of Cameron Mr. McIntosh was widely known both as a merchant and civic and business leader. He was for a long time active Vice President of the First National Bank in Cameron. He was a member of the Methodist church and a member of the Board of Stewards for many years. He was a Mason and a member of Karem Shrine in Waco. As an active fraternalist he became widely known over the state.

Funeral services were to be held from the First Methodist Church in Cameron at 10 a. m. Friday, January 28 by Rev. Lee Lemons, pastor, with interment in Wills Point, Texas, Friday afternoon. The body will be at the Marek-Burns Funeral Home in Cameron until late Thursday when it will be taken to the residence at 504 North Central Avenue and will remain there until the funeral hour on Friday.

Surviving are his widow Mamie Childress McIntosh of Cameron; one daughter, Mrs. Katherine Earnest of Woodland, California and two brothers William L. McIntosh of Dalhart, Texas and James A. McIntosh of Tucumcari, New Mexico.

Friends will regret to learn Mrs. Leland Green, Sr., is ill and in Newton Memorial Hospital for treatment.

Billy Nabours has been selected to participate in another scramble the night of February 3.

## \$10,000 Damage Suit Being Aired In District Court Here

For the second time in a week plea of privilege was the bone of contention in a damage suit in District Court.

This time in the Flumerfelt vs. Spiller case growing out of a collision of cars 2 miles east of Milano in November 1948.

Flumerfelt entered suit against Spiller for damages both to his person and car. Plea of privilege means that a decision must be reached on where a case will be tried.

Bill Wallace of Cameron and counsel from Fredericksburg are representing Flumerfelt and Attorneys Coleman Gay of Austin and Julius Franki are representing Spiller. Mr. Franki is an author of law books and lives in Austin.

Mr. and Mrs. Billy Trigs and their daughter of Wichita Falls visited in the home of Mr. and Mrs. J. R. Poole over the week end. Mrs. Trigs is a sister of Mrs. Poole.

Mr. and Mrs. Clyde Jackson of Milano made a business trip to Cameron this week.

## WIDESPREAD DAMAGE RESULTS FROM FREEZE

(From the Daily)

Cameron had a temperature of 3 below zero Monday morning it was reported to The Daily Herald by L. W. Smith, local government observer at the Community Public Service Company.

Three below zero is not an all time low for Cameron but is the coldest weather since 1929 when the temperature is reputed to have been 6 below.

The temperature Monday was unusual and widespread damage has resulted. The city was paralyzed and normal operations were taboo as 7 inches of snow lay on the ground from the storm that swept over Texas and spread to the Gulf regions.

It was colder in Cameron than in Dallas. Lubbock in the south plains had a temperature of 10 above zero. The severe spell had begun to dissipate and warmer weather is promised by Tuesday. In the meantime severe and hazardous conditions would prevail throughout this area.

Highway travel was so severe little traffic would be noted for the next 48 hours. Cameron had a good supply of gas and all utilities were in full operation.

The sun came out and early predictions were that the temperature would rise some during the day with a possible high of some 15 above zero. Monday night near zero weather was forecast in the Cameron area although the temperatures were rising in the northern sections of the state.

While no reports were available early Monday due to the shortage of communications it was certain that livestock losses would be heavy here. Plumbing took a heavy beating and despite water shut off frozen pipes were common things to add to the storm damage. Automobile radiators were not all proofed despite antifreeze and severe damage was certain to follow in the wake of the cold.

The snow is dry and the thawup which may come by Wednesday will

bring little moisture. Cameron area had had over 7 inches of rain in January and the snow would bring only an addition .6 inches it was disclosed here Monday.

The couple received many useful gifts and an enjoyable evening was spent.

## 3 Day Cold Wave Is Most Severe In Many Years Here

Since Friday, January 28 temperatures have been low in the Cameron area and at no time had the high been above 43 degrees.

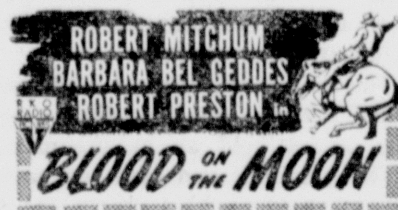

L. W. Smith of the Community Service Company, government weather observer, said that on Friday, January 28 the high was 43 degrees and the low was 28.

On Saturday the high was 29 and the low was 20, Sunday the high was 23 and the low was 5 degrees above zero. On Monday morning, January 31 the low was 3 degrees below zero and at 10 a. m. the thermometer had risen and the temperature was one degree above zero.

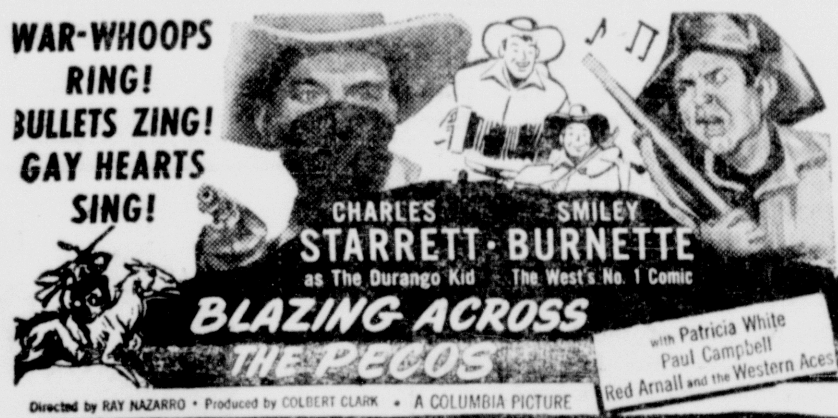

Cameron had 7 inches of snow a dry fall that would yield only .6 inches of moisture.

Mrs. W. H. Garner who has been visiting in the L. F. Gohmert home in Cameron left Tuesday for a short visit to London, Arkansas before returning to her home in Carning, Iowa.

Mrs. M. L. Webb, Jr., and son Richard of Baton Rouge is spending a few days this week visiting her mother, Mrs. Kittie Mode and other relatives in Cameron.

## Damage Suit Will Be Heard Wednesday

The case of Flumerfelt vs Spiller scheduled for hearing in District Court here Monday was postponed on account of weather and will be heard Wednesday.

The issue at present is a plea of privilege, whether the case will be heard here or elsewhere. Flumerfelt is seeking \$10,000 in damages from Spiller over a car accident.

The \$30,000 damage suit of Roger Q. Todd against the Cattle Oil Company resulting from a collision in Gause in May 1946 will be tried here. Judge John C. Patterson of Marlin, Presiding, ruled the case must be tried here. Judge Morrison was recused in the case because he had represented Todd in the litigation prior to his election to the bench.

## 4-H Club Sponsors Meet Here and Elect

## BODY OF MERCHANT IS TAKEN TO WILLS POINT

Funeral services for R. H. McIntosh, 81, widely known citizen and merchant here, were held at 10 a. m. Friday at First Methodist Church by Rev. R. L. Lemons, Pastor.

The body was taken to Wills Point, Texas by the Marek-Burns Funeral Home and interment would be held there Friday afternoon January 28. Mr. McIntosh, died at his home here late Wednesday, January 26. He had been critically ill for several weeks.

Born in Mississippi he came to Texas a young boy and had been a resident of Cameron for 60 years. In his early days his father owned ranch interests at Burlington and Mr. McIntosh early became interested in ranching and at the time of his death owned ranching interests in New Mexico.

As a young man he came to Cameron and entered business with the late S. W. Cheeves in the operation of the Cheeves Bros. Dry Goods Store here. He remained active in the business until recently when he sold a portion of his interest to Bill McIntosh, a nephew.

Surviving are his widow Mrs. Mamie Childress McIntosh of Cameron and one daughter Mrs. Katherine Earnest of Woodland, California; two brothers, William L. McIntosh, of Dalhart, Texas, and James A. McIntosh of Tucumcari, New Mexico.

Pull bearers were: John Henderson, W. T. Whatley, Sr., Lester Williams, Hayden Lawrence, E. A. Perrin, A. W. McCullin, O. B. Horstmann and Niley Smith, Sr.

## Santa Fe Train Is Seven Hours Late

Cameron missed a batch of early morning mail when a Santa Fe Train out of the division point at Cleburne was 7 hours late.

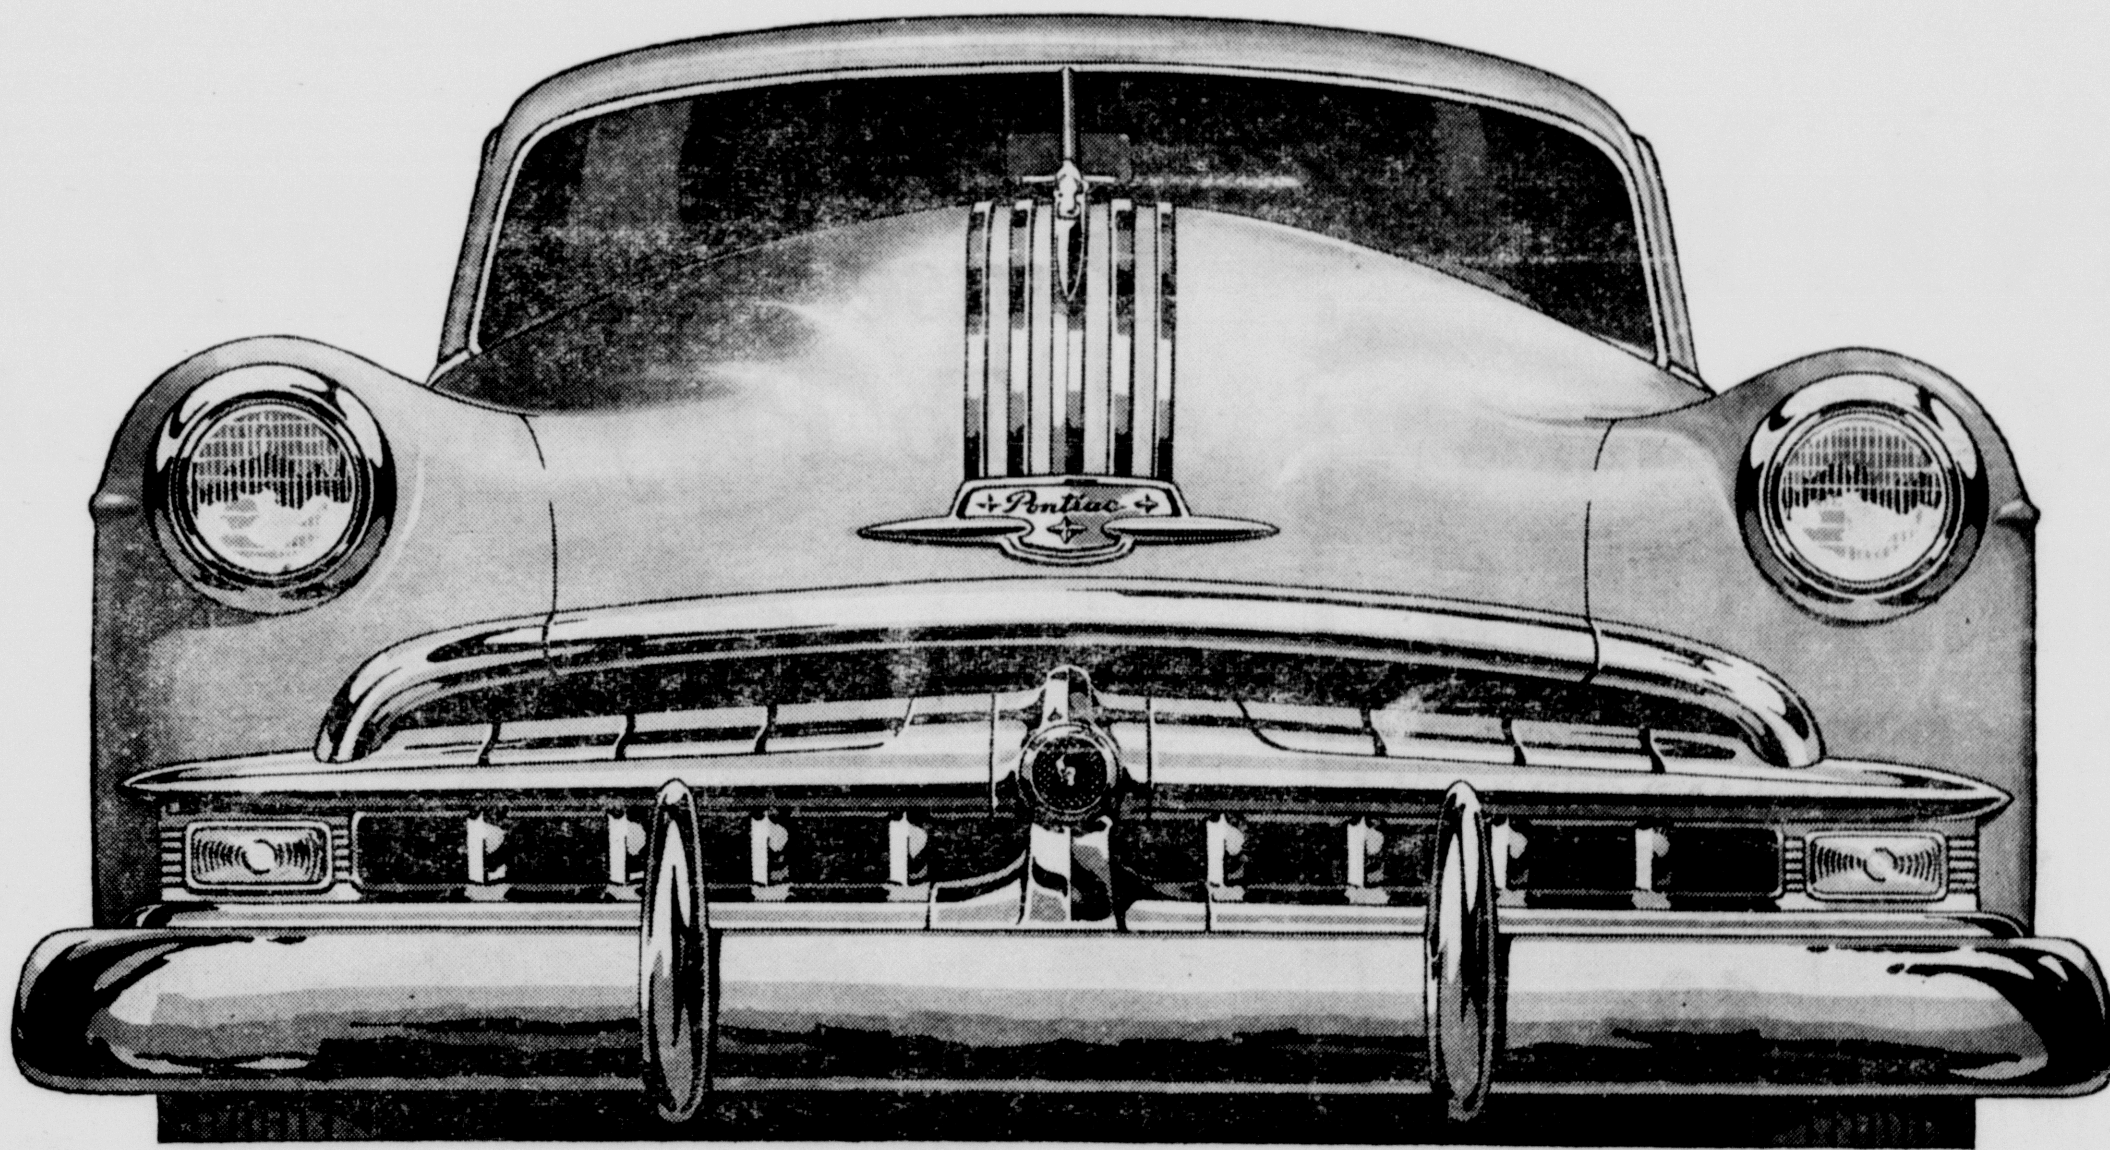

Newspapers were missing from local mail boxes because of the lateness of the mail train. It was said that all signal blocks were frozen from Cleburne south and the train due in Cameron around 3 a. m. would arrive here at 10:15 in the forenoon.

Severe cold with temperatures below zero in Central Texas had created a condition of extreme hazard on all highways.

ride, in addition to seat re-arrangement, are softer front and rear springs, extra low-pressure tires, a heavier frame, new front suspension based on airplane type shock absor-

bers functioning inside coil springs. Pontiac will make ten body types for 1949 and with two exceptions each may be had as standard or with certain refinements which Pontiac designates as its Deluxe models. Exceptions are the convertible which is

available with deluxe equipment only and the sedan-delivery, a swank commercial vehicle new to the Pontiac line, standard equipped only. Two station-wagons are available; in all steel construction and in wood-and-steel.

Pontiac owners may choose, as in the past, between the 90 horse-power six cylinder engine, and the 104 horsepower eight. Compression ratio with standard head is 6.5, well in the upper range of American motor cars and not requiring premium fuels.

Seventy-five per cent of 1948 Pontiacs were ordered with Hydra-Matic drive—an indication of the public's enthusiasm for this automatic transmission. Pontiac in 1949 will continue to supply Hydra-Matic as optional equipment at extra cost. It is the lowest priced car to be thus equipped.
